Fire Extinguisher Supply & Maintainace

Supply, Install, Service & Maintain

The Legal Position

The Regulatory Reform (Fire Safety) Order; 2005 requires owners and managers of commercial buildings to ensure you have the right type of firefighting equipment available, and that these are well maintained.

Unicorn fire & safety solutions Ltd are a Midlands based company who will ensure your premises are complaint, allowing you to focus on your key role of running your business!

We can-

- Undertake a free survey
- Supply and install all types of high quality UK made fire extinguishers
- Provide wall or floor stands
- Display suitable signage, and
- Maintain your equipment so you can be confident your workplace is fully legal, and fully protected.

All extinguishers come with a no quibble 5-year guarantee.

Why Choose 'Unicorn'

- We have 40 years of experience, knowledge and specialist skills
- We are fully accredited, and our friendly team are all qualified extinguisher engineers who will ensure your appliances are serviced to BS 5306 Part 3
- We offer a comprehensive range of services, including; extinguisher supply & installation, refills, maintainance & repairs and staff training.
- We will supply you with a database so that you can see at a glance how much future maintainance will cost
- There are no cancellation periods associated with our contracts, and if at any time you are genuinely dissatisfied with our service, then you won't be billed!

We are a family run business and extremely proud of our reputation for efficient friendly service.

We always seek to provide
'The best possible service at the most competitive price!'

Inspection & Servicing

Options:

We offer two service options;

'Unicorn Rental'

We can supply and rent you the extinguishers needed for your property. This is often suitable for temporary requirements such as short-term shop leases and temporary events etc. Rental extinguisher fees fully inclusive covering all maintenance and replacement parts.

'Unicorn 365'

Often, businesses prefer to own their extinguishers in which case, we can supply, inspect and service your equipment for extremely competitive fees.

In both cases, we offer a free staff tutorial for staff to help you comply with your legal requirement for employee training.

The choice is yours and to help you choose, these are the services you get;
